BVRIT HYDERABAD College of Engineering for Women

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

MESSAGE FROM HoD

Greetings from the Department of Computer Science & Engineering (CSE) at BVRIT HYDERABAD College of Engineering for Women. It is with immense pride and great pleasure that I lead this esteemed department, dedicated to shaping the Women Technological Leaders of Tomorrow. Our primary mission is to empower students with robust problem-solving abilities, critical thinking skills, and a creative mindset to devise innovative solutions for the evolving challenges in science and technology. The department boasts state-of- the-art infrastructural and computing facilities, fostering a dynamic and supportive environment that nurtures academic excellence and cutting-edge research.

Our highly qualified, diligent, and experienced faculty are passionately committed to enhancing the skill sets of our students through continuous engagement and mentorship. The curriculum is meticulously designed to provide comprehensive knowledge and hands-on training of the highest caliber, spanning foundational concepts of Computer Science, advanced programming, core courses, and the latest technological frontiers. These include Artificial Intelligence, Machine Learning, Internet of Things (IoT), Data Analytics, Cyber Security, Open- Source Technologies, Blockchain, Cloud Computing, and Quantum Computing—reflecting the rapidly advancing tech landscape as of January 2025. To ensure the holistic development of our students, the CSE department maintains active memberships with prestigious professional bodies such as IEEE, ACM, CSI, SWE, and TechBlitz, alongside collaborations with leading coding platforms like CodeChef, HackerRank, Leet Code, Project Euler and various technical Clubs. These initiatives ignite a passion for lifelong learning and encourage students to explore beyond their academic boundaries, fostering innovation and leadership. As the industry evolves with groundbreaking technologies, we remain steadfast in aligning our programs with the corporate world's demands. We strive to equip our beloved future technocrats with the skills and knowledge to thrive in a competitive global landscape, ensuring they are well- prepared to lead and innovate in the ever-changing world of technology.

Collaboration with Premier Institutes IIITH, IITH, IITM, NITW, CMI, IITPALs.

Dr. Aruna Rao S L
Professor & CSE HoD

.

Institute Vision

To emerge as the best among the institutes of technology and research in the country dedicated to the cause of promoting quality technical education.

Institute Mission

At BVRITH, we strive to

- Achieve academic excellence through innovative learning practices.
- Enhance intellectual ability and technical competency for a successful career.
- Encourage research and innovation.
- Nurture students towards holistic development with an emphasis on leadership skills, life skills, and human values.

Department Vision

Develop women as technocrats, researchers, and entrepreneurs in the field of computer science and engineering.

Department Mission

M1. To impart quality education in Computer Science and Engineering by means of learning techniques and value-added courses.

M2. To inculcate professional excellence and research culture by encouraging projects in cutting- edge technologies through industry interactions.

M3. To build leadership skills, ethical values, and teamwork among the students.

M4. To strengthen the collaboration of department and industry through internships, professional body activities.

Program Outcomes (Pos)

Program Outcomes (POs)

Engineering Graduates will be able to:

Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

Problem analysis: Identity, formulate, review research literature and analyze complex engineering problem searching substantiated conclusions using first principles of mathematics, natural sciences, and engineering science.

Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations.

Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis, and interpretation of data, and synthesis of the information to provide valid conclusions.

Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal health, safety, legal and cultural issues, and the consequent responsibilities relevant to the professional engineering practice.

Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

Individual and teamwork: Function effectively as an individual, and as a member or leader in diverse teams and in multidisciplinary settings.

Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

Program Educational Objectives (PEOs)

PEO 1: Develop innovative computing products by utilizing strong technical proficiency and critical thinking.

PEO 2: Productivity engage in research by practicing basic principles grounded in allied areas of Computer Science and Engineering.

PEO 3: Adapt the emerging technologies to contribute technical innovations for progressive development.

PEO 4: Demonstrate professionalism, ethical attitude, teamwork, and leadership skills with lifelong learning in the career.

Program Specific Objectives (PSOs)

PSO 1: Ability to apply learned skills to build optimized solutions pertaining to Computer & Communication Systems, Data Processing, and Artificial Intelligence.

PSO 2: Employ standard strategies and practices in project development using FOSS (Free & Open-Source Software).

About the Department

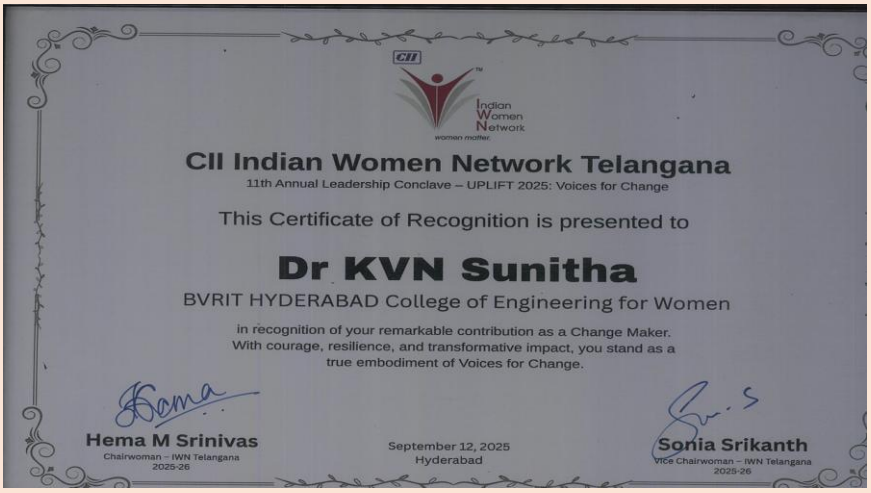

Established in 2012, the Department of Computer Science & Engineering (CSE) is dedicated to developing women technological leaders through a blend of rigorous academics, research, and industry- aligned training. The undergraduate B.Tech. Program has grown significantly, increasing its intake from 60 students in 2012 to 360 students for the 2024-25 academic year. The department also offers M.Tech. degrees in both Computer Science & Engineering and Data Science. The B.Tech. Program is accredited by the National Board of Accreditation (NBA). A vibrant team of 47 faculty members (including 5 Professors) brings expertise in cutting-edge fields like AI, Block chain, and Machine Learning, supplemented by industry adjuncts. Students have access to high-speed internet and modern computing equipment to support both research and coursework. The department maintains strong ties with global giants like Microsoft, Amazon, Hexagon, Capgemini, Juniper Networks and Qualcomm, offering students mentorship, internships and co-innovation projects. Faculty and students are encouraged to do certifications offered by NPTEL – SWAYAM, Oracle Certified Java Professional (OCJP), Service Now, Coursera, edX, Udemy, NASSCOM etc, to move the needle on upgrading the proficiency and skill set in the interested areas. Students participate in various clubs (ACM, CSI, TechBlitz) and coding platforms like Hacker rank and CodeChef to sharpen their problem-solving skills. Emphasis is placed on Hackthon like Smart India, Google Girl Hackathon, etc., guest lectures, and value-added courses under Women In Software Engineering (WISE) to meet the current Industry trends. Graduates are consistently recruited by top-tier firms including Microsoft, Amazon, Flipkart, Adobe, SAP Labs, VISA, and so on while others pursue higher education at prestigious global universities like UT Austin, University of Utah, and Purdue etc.

Faculty Achievements

1. Dr. C Rajeev, Assistant Professor, was Awarded with Ph.D. from Vellore Institute of Technology-AP, Vellore, in "Explainable AI-Driven Machine Learning and Deep Learning for Heart Disease classification and prediction" on 24th Sep 2025.
2. Dr. S. Vidyullatha was awarded a Ph.D. from Vignan's University–AP, Vadlamudi, Guntur, for her research titled "Automated Sarcasm Detection Using Optimized Deep Learning Models", on 11th October 2025.
3. Dr. Aruna Rao S. L.'s idea titled "Bias Busters: A Machine Learning Model for Detecting and Mitigating Bias in News Articles" was selected for the second round of the YUKTHI Innovation Challenge 2025, on 18th October 2025.
4. Dr. Aruna Rao S. L.'s idea titled "Bias Busters: A Machine Learning Model for Detecting and Mitigating Bias in News Articles" was selected for the second round of the AICTE Productization Fellowship, on 19th October 2025.
5. Mr. K. Bhargav Ram's idea titled "Comprehensive Intrusion Detection System for Enhanced Security Using IoT" was selected for the second round of the AICTE Productization Fellowship, on 19th October 2025.

Awards & Recognitions of Head of the Institution

1. Dr. KVN Sunitha, Professor & Principal, Received the Certificate of Recognition from CII-IWN Leadership Conclave 2025: Voices for Change, on 12th Sep 2025.

2. Dr. KVN Sunitha, Professor & Principal, received the Bharath Education Excellence Award **"Vidya Ratna"**, for recognizing her exemplary contribution to the Research and Education sector, organized by BRAIN O VISION, on 25th October 2025.

3. Dr. K. V. N. Sunitha, Professor & Principal, received the IETE Women Achiever Award from the IETE Headquarters, New Delhi, on 18th December 2025.

Awards received by the Doctoral Faculty

1. Dr. Aruna Rao S. L, Professor & CSE HoD, received the Bharath Education Excellence Award "Jyeshta Acharya" for recognizing her exemplary contribution to the Research and Education sector, organized by BRAIN O VISION, on 25th October 2025.

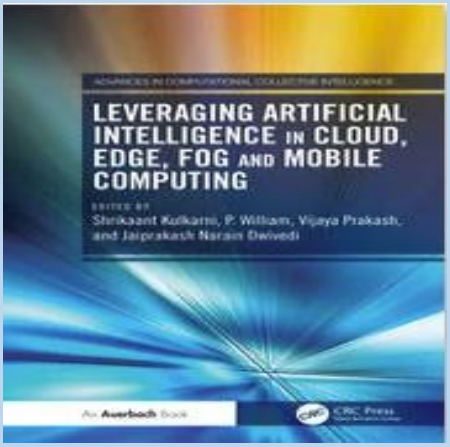

Faculty acted as Session Chair, Reviewer

1. Dr. R Suneetha Rani, Professor, Served as Session Chair at the 8th International e-Conference on Intelligent Computing and Communication (ICICC-2025), organized by CMR Technical Campus, Hyderabad, Telangana, on 26th Sep 2025.

2. Dr. R. Suneetha Rani, Professor, acted as a Conference Session Chair for the 7th IEEE International Conference on Cybernetics, Cognition and Machine Learning Applications (ICCCMLA 2025), organized by the IEEE Germany Section, on 2nd November 2025.

3. Ms. T Durga Devi, Assistant Professor, acted as a reviewer for 2025 IEEE 3rd International Symposium on Sustainable Energy Signal Processing and Cybersecurity, organized by Dept of EEE, GIET University, Odisha, Gunupur, on 6th to 8th November 2025.

Book Chapters Published

1. Dr. M Indra Sena Reddy, Professors, published a book chapter titled " Working toward a Comprehensive Approach for Ensuring Security and Privacy in Artificial Intelligence", in Leveraging Artificial Intelligence in Cloud, Edge, Fog and Mobile Computing, Pages 1-16, on 16th September 2025, DOI: https://doi.org/10.1201/9781032703718-2

2. Dr. M Indra Sena Reddy, Professor, published a book chapter titled " Working toward a Comprehensive Approach for Ensuring Security and Privacy in Artificial Intelligence", in Multi-Criteria Decision Making Methods and Sustainable Applications in the Digital Age, Pages 1-16, on 16th September 2025, DOI: https://doi.org/10.1201/9781032703718-2

3. Ms. Suparna Das, Assistant Professor, published a book chapter titled " Nanofluidics, 3D nano-printing, and organoids for biomedical technology", in Emerging Technologies in the Healthcare System for Sustainable Development, Pages 17-40, on October 2025, DOI: https://doi.org/10.1016/B978-0-443-26492-4.00005-0

Patents Published

Ms. T. Durga Devi and Dr. R. Suneetha Rani published a patent titled “SmartCane: IoT-Enhanced Mobility and Safety for the Visually Impaired” with Application No. 202541101742 A,on 28th November 2025.

Papers Published

1. Ms. Suparna Das, Assistant Professor, published a research article titled " Soft Robotics for Parkinson's Disease Supported by Functional Materials and Artificial Intelligence", in BMEF-SPJ, Volume 6, on 2nd July 2025, DOI: https://doi.org/10.34133/bmef.0143
2. Dr. M Shanmuga Sundari, Associate Professor, published a research article titled " Design and Evaluation of Hybrid Explainable AI Interfaces for Vision Restoration In Next-Generation Retinal Prosthetics", in Journal of Theoretical and Applied Information Technology, Volume 103, Issue 13, on 15th July 2025, DOI: https://www.jatit.org/volumes/Vol103No13/14Vol103No13.pdf
3. Dr. Venkatesh B, Associate Professor, published a research article titled " A Quantum Convolutional Neural Network for Breast Cancer Classification using Boruta and GA-Based Feature Selection with Quantum Feature Maps", in Journal of Electronics, Electromedical Engineering, and Medical Informatics, Volume 7, Issue 3, on 13th July 2025, DOI: https://doi.org/10.35882/jeeemi.v7i3.792
4. Dr. M Sree Vani, Professor, published a research article titled " Personalized health monitoring using explainable AI: bridging trust in predictive healthcare", in Scientific Reports, Volume 15, on 29th August 2025, DOI: https://doi.org/10.1038/s41598-025-15867-z
5. Dr. V Surya Narayana Reddy, Assistant Professor, published a research article titled "Cluster based Personalized Recommender System to address Cold-Start Challenge", in 2025 1st International Conference on Secure IoT, Assured and Trusted Computing (SATC), on 4th September 2025, DOI: https://doi.org/10.1201/9781032703718-2
6. Ms. P Surya Bharathi, Assistant Professor, published a research article titled " Improving Neonatal Care with NEONATALAI: A Comprehensive Deep Learning Framework for Early Prediction and Diagnosis of Neonatal Diseases in Intensive Care Units", in International Conference on Advancements in Smart, Secure and Intelligent Computing (ASSIC), on 16th September 2025, DOI: https://doi.org/10.1109/ASSIC64892.2025.11158619
7. Ms. Suparna Das, Assistant Professor, published a research article titled " Machine learning (ML)-assisted surface-enhanced raman spectroscopy (SERS) technologies for sustainable health", in Advances in Colloid and Interface Science, Volume 344, on October 2025, DOI: https://doi.org/10.1016/j.cis.2025.103594
8. Dr. V Surya Narayana Reddy, Assistant Professor, published a research article titled " A Novel Machine Level Computation of Enhancing IoT Cybersecurity Logics with the Scalable and Robust Coral Matrix Security Framework", in Journal of Machine and

Computing, Volume 5, Issue 4, on 5th October 2025, DOI: https://doi.org/10.53759/7669/jmc202505203

9. Ms. Suparna Das, Dr. Akansha Tyagi, Assistant Professors, published a research article titled " Early Detection of Parkinson's Disease Based on Voice Disorders Using Deep Learning", in 2025 International Conference on Biomedical Engineering and Sustainable Healthcare (ICBMESH), Page 1-6, on 1st October 2025, DOI: https://doi.org/10.1109/ICBMESH66209.2025.11182206
10. Dr. M Shanmuga Sundari, Associate Professor, Ms. D Swapna, Ms. KBKS Durga, Assistant Professors, published a research article titled " Transfer Learning-Enhanced CNN Model for Integrative Ultrasound and Biomarker-Based Diagnosis of Polycystic Ovarian Disease ", in Scientific Reports, Pages 1-27, Volume 15, on 3rd October 2025, DOI: https://doi.org/10.1038/s41598-025-17711-w
11. Ms. Suparna Das, Dr. Akansha Tyagi, Assistant Professors, published a research article titled " On-Skin Tattoo-Embedded Sensors (TES) for Next-Generation Sensing and Future Directions for Healthcare Monitoring", in Advanced Materials Technologies, Page 1-20, on 23rd October 2025, DOI: https://doi.org/10.1002/admt.202501304
12. Dr. M Shanmuga Sundari, Associate Professor, Ms. Y Divya, Assistant Professor, published a research article titled "Efficient Net-Based Pneumonia Detection: Enhancing Accuracy in Medical Imaging", in Proceedings of Fifth International Conference on Advances in Computer Engineering and Communication Systems, Pages 415-423, on 1st October 2025, DOI: https://doi.org/10.1007/978-981-96-4410-0_40
13. Ms. D Swapna, Dr. M Shanmuga Sundari, Associate Professors, published a research article titled "IoT-Based Smart Door Lock System with Face Recognition and Password Integration", in Proceedings of Fifth International Conference on Advances in Computer Engineering and Communication Systems, Pages 415-423, on 1st October 2025, DOI: https://doi.org/10.1007/978-981-96-4410-0_37
14. Ms. M. Sri Sevitha, Assistant Professor, published a research article titled " A Diffusion-based Framework for Realistic and Temporally Coherent Video Generation", in 2025 6th International Conference on Electronics and Sustainable Communication Systems (ICESC), Page 1687-1692, on 30th October 2025, DOI: https://doi.org/10.1109/ICESC65114.2025.11212418
15. Ms. G Padmavati, Assistant Professors, published a research article titled " Revolutionizing Healthcare Logistics: Elevating Drug Accountability Through GIS-Enabled Tracing", in 7th International Conference on Communications and Cyber Physical Engineering, Page 1268-1274, on 19th November 2025, DOI: https://doi.org/10.1007/978-981-95-0269-1_146
16. Dr. Akansha Tyagi, Dr. S Prasanth Vaidya, Ms. Poonam Shaylesh Lunawat, Assistant Professors, published a research article titled " Real-Time Sign Language Gesture Recognition for Women's Safety Using Dynamic Time Warping and Voting Algorithms", in Franklin Open, Page 1-10, on 19th November 2025, DOI: https://doi.org/10.1016/j.fraope.2025.100428

17. Ms. Suparna Das, Assistant Professor, published a research article titled " Advancements in Air Quality Forecasting", in 7th International Conference on Communications and Cyber Physical Engineering, Page 1756-1763, on 19th November 2025, DOI: https://doi.org/10.1007/978-981-95-0269-1_198
18. Dr. Venkatesh B, Associate Professor, published a research article titled " Tailored Voice Activation for Enhanced Accessibility", in International Conference on Smart Computing and Communications (ICSCC), Page 1-7, on 17th November 2025, DOI: https://doi.org/10.1109/ICSCC66177.2025.11233413
19. Mr. N. Raghava Rao, Assistant Professor, published a research article titled " Machine Learning-Optimized Load Balancing Algorithm for Indian Data Centers", in 2025 International Conference on Recent Innovation in Science Engineering and Technology (ICRISET), Page 1-6, on 28th November 2025, DOI: https://doi.org/10.1109/ICRISET64803.2025.11252250
20. Dr. S.L. Aruna Rao, Professor & HoD, published a research article titled "Self-Organizing Wireless Mesh Networks for Community Internet Sharing", Journal of Internet Services and Information Security, Pages: 678-692, Volume 15, Issue 4, on 28th November 2025, DOI: https://doi.org/10.58346/JISIS.2025.I4.049
21. Ms. D Swapna, Dr. M Shanmuga Sundari, Associate Professors, published a research article titled "Hybrid Deep Learning for Meme Sentiment and Emotion Analysis Using LLMs", in International Conference on Computer Vision and Robotics, Pages 368-376, on 20th November 2025, DOI: https://doi.org/10.1007/978-3-032-06253-6_29
22. Dr. Akansha Tyagi, Dr. S Prasanth Vaidya, Assistant Professors, Dr. G Naga Satish, Professor, published a research article titled " Advancements in hemotype identification: Fingerprint analysis for blood group determination", in Franklin Open, Page 1-10, Volume 13, on December 2025, DOI: https://doi.org/10.1016/j.fraope.2025.100429
23. Ms. P Surya Bharathi, Assistant Professor, published a research article titled " AI in Blockchain Security: Detecting Anomalies in Smart Contracts", in 2025 3rd International Conference on Intelligent Cyber Physical Systems and Internet of Things (ICoICI), Page 126-135, on 1st December 2025, DOI: https://doi.org/10.1109/ICoICI65217.2025.11254779
24. Dr. S Prasanth Vaidya, Assistant Professor, published a research article titled " Enhanced diabetes prediction using CTGAN-MLP approach on body composition data", in Scientific Reports, on 10th December 2025, DOI: https://doi.org/10.1038/s41598-025-31928-9
25. Dr. A Lakshmi, Assistant Professor, published a research article titled " A Stacking Ensemble Approach for Effective Banking Fraud Detection Using Weighted Machine Learning Models", in International Journal of Applied Mathematics, Volume 38, Issue 12, Pages: 810-824, on 7th December 2025, DOI: https://doi.org/10.12732/ijam.v38i12s.1429
26. Ms. T Durga Devi, Dr. Akansha Tyagi, Dr. S Prasanth Vaidya, Assistant Professors published a research article titled " An IoT-Based Smart Cane for Improving Mobility and Safety of the Visually Impaired", in 2025 IEEE 6th India Council International Subsections

Conference (INDISCON), Page 1-6, on 2nd December 2025, DOI: https://doi.org/10.1109/INDISCON66021.2025.11252227

27. Dr. B Venkatesh, Associate Professor, published a research article titled " Reducing The Search Space for Efficient Wrapper Feature Selection", in 5th Asian Conference on Innovation in Technology (ASIANCON), Pages: 1-8, on 16th December 2025, DOI: https://doi.org/10.1109/ASIANCON66527.2025.11281294
28. Dr. B Venkatesh, Associate Professor, published a research article titled " PhishShield: Real-Time Malicious URL Detection Using NLP and XGBoost", in 5th Asian Conference on Innovation in Technology (ASIANCON), Pages: 1-8, on 16th December 2025, DOI: https://doi.org/10.1109/ASIANCON66527.2025.11280692
29. Ms. G Padmavati, Assistant Professor, published a research article titled " DeepConvIEHO-AdaMaxNet: Secure and Robust Deepfake Detection using Optimized Deep Neural Networks", in Journal of Studies in Science and Engineering, Volume 2, Issue 1, Pages: 320-343, on December 2025, DOI: https://doi.org/10.1109/ASIANCON66527.2025.11280692

Faculty attended FDP's/Workshops/ Certification/Visits

- Ms. S Rama Devi, Assistant Professor, Completed Certification: Innovation Ambassador (IA) training 'Foundation Level' Organized by MoE's Innovation Cell & AICTE, on 23rd August 2025.
- Dr. Aruna Rao S L, Professor & HoD, & Ms. E G Padmavati, Assistant Professor, completed Certification: Capacity Building Programme on Cybersecurity Organized by Teaching Learning Centre (TLC), IIT Madras, from 04th to 08th September 2025.
- Ms. S Rama Devi, Assistant Professor, received a participation certificate for Gou Vigyana Pareekshalu 2025-Level 1 Organized by Computer Society of India (CSI) in collaboration with Telangana Gouseva Samithi, Telangana, on 11th September 2025.
- Ms. P Manjula, Professor of Practice, Attended the 11th Annual Leadership Conclave-UPLIFT 2025: Voices for Change Organized by CII-IWN, on 12th September 2025.
- Ms. S Rama Devi, Assistant Professor, received a certificate for participating in the training program on Java Full Stack Organized by TalentNext, Wipro, from 25th August 2025 to 12th September 2025.
- Ms. M Sandhya Vani, & Ms. V Aneesha, Assistant Professors, attended a workshop on "Advanced features of turnitin anti-plagiarism software" at JNTUH, on 19th September 2025.
- Dr. B Venkatesh, Associate Professor, attended a 2-Day FDP on Deep Learning in Association with PALS Organized by GNITS, from 19th September 2025 to 20th September 2025.
- Ms. S. Rama Devi received a certificate for participating in the Java Full Stack Training Program conducted by TalentNext, Wipro, held from 25th August 2025 to 12th September 2025.

- Dr. KVN Sunitha, Ms. P. Manjula, and Ms. K. Neha attended the National HR Summit & National HR Excellence Awards 2025, held at Bangalore, organized by Sri Vishnu Educational Society (SVES) in association with the Global Human Resources Management and Organizational Development Council, on 19th September 2025.
- Ms. S. Rama Devi was recognized as a Wipro Certified Faculty in Java Full Stack by Wipro on 1st October 2025.
- Dr. S. Prasanth Vaidya visited Cisco, Cessna Business Park, Bangalore, and attended the NASSCOM Industry–Academia Meet held at Hotel Hilton – OPAL Hall, Bangalore, on 8th October 2025.
- Ms. T. Durga Devi and Mr. K. Bhargav Ram participated in the ATAL online 6-Days FDP "Integrating IoV and MaaS for Future Urban Mobility: A Smart and Sustainable Transportation Framework", organized by HITAM, Hyderabad, from 13th to 18th October 2025.
- Ms. D. Swapna, Dr. M. Shanmuga Sundari, Associate Professors, Ms. B Pushpa, Ms. Suparna Das, Ms. KBKS Durga, Ms. G. Rashmitha, Ms. J. Jhansi Goud, and Ms. E. G. Padmavati, Assistant Professors, participated in the One-Week National Level FDP "Connecting Indian Knowledge Systems to Engineering Practices – A Way towards Viksit Bharat 2047", organized by the BS&H Department, BVRITH, from 13th to 18th October 2025.
- Ms. T. Durga Devi, Assistant Professor, participated in the ATAL online 5-day National Level FDP "Next-Gen Farming: Leveraging Quantum Technologies for Agri-Innovation", organized by Annamacharya Institute of Technology & Sciences, from 17th to 21st November 2025.

- Ms. M. Sandhya Vani, Assistant Professor, participated in the one-week online FDP "AI Impact Across Industries", organized by PALS, from 18th to 20th November 2025.
- Dr. G. Naga Satish, Professor successfully completed the Cloud Computing (AWS) course on the TuteDude platform and received a certificate (Certificate ID: TD-GANT-CC-1652) on 19th November 2025.
- Ms. D. Swapna, Associate Professor and Ms. T. Durga Devi, Assistant Professor successfully completed a 12-week NPTEL course on "Introduction to Industry 4.0 and Industrial Internet of Things" and received a certificate (Elite + Silver), during July to October 2025.
- Dr. S. Vidyullatha, Assistant Professor, successfully completed a 12-week NPTEL course on "Introduction to Large Language Models (LLMs)" and received a certificate (Elite + Silver), during July to October 2025.
- Ms. S. Rama Devi, Assistant Professor, successfully completed a 12-week NPTEL course on "Introduction to Machine Learning" and received a certificate, during July to October 2025.
- Ms. E. G. Padmavati, Assistant Professor, successfully completed a 12-week NPTEL course on "Introduction to Internet of Things" and received a certificate (Elite), during July to October 2025.
- Dr. R. Suneetha Rani, Professor and Ms. T. Durga Devi, Assistant Professor, participated in the ATAL offline Two-Week Advanced FDP "Evolving Integration of AI and High-Performance Computing (HPC)", organized by the Department of CSE (AI & ML), Vardhaman College of Engineering, from 17th to 29th November 2025.
- Ms. P. Surya Bharathi and Ms. V. Aneesha, Assistant Professors, participated in the online FDP "Emerging Quantum and AI Technologies for Engineering Innovation", organized by the Department of Artificial Intelligence and Machine Learning, Sri Indu College of Engineering and Technology, Hyderabad, from 24th to 29th November 2025.
- Ms. M. Sandhya Vani, Assistant Professor, participated in the ATAL Online Faculty Development Programme titled "Advanced AI Tools for IIoT Framework", organized by CMR Technical Campus, from 24th to 29th November 2025.

- Ms. B. Pushpa and Ms. G. Rama Devi, Assistant Professors, participated in the one-week online FDP "AI Tools for Education, Research and Industry", organized by CMR Engineering College, from 24th to 29th November 2025.
- Dr. K. Kanaka Vardhini, Assistant Professor, successfully completed a 12-week NPTEL course on "Programming in Java" and received a certificate (Elite + Gold), during July to October 2025.
- Ms. M. Sandhya Vani, Assistant Professor, successfully completed a 12-week NPTEL course on "Cloud Computing" and received a certificate (Elite), during July to October 2025.
- Ms. G. Rashmitha, Assistant Professor, successfully completed a 12-week NPTEL course on "Operating System Fundamentals" and received a certificate (Elite + Silver), during July to October 2025.
- Ms. B Pushpa, Assistant Professor, successfully completed a 12-week NPTEL course on "Database Management Systems" and received a certificate (Elite), during July to October 2025.
- Ms. B Pushpa, Assistant Professor, successfully completed a 12-week NPTEL course on "Data Structures and Algorithms Design" and received a certificate (Elite), during July to October 2025.
- Ms. G. Chandana Priya and Ms. M. Sri Sevitha, Assistant Professors, successfully completed the 12-week NPTEL course on "Cloud Computing", during July to October 2025.
- Ms. V. Aneesha, Assistant Professor, successfully completed the 12-week NPTEL course on "Cyber Security and Privacy", during July to October 2025.
- Dr. KVN Sunitha, Professor and Principal, and Dr. Aruna Rao S. L, Professor & HoD, attended the SWE Meetup at MathWorks, on 27th November 2025.
- Dr. R. Suneetha Rani, Professor, and Ms. T. Durga Devi, Assistant Professor, participated in the ATAL one-week offline FDP "Futuristic Frontiers: AI & IoT Integration for Advancing Signal Processing Development", organized by the Department of ECE, Nalla Narasimha Reddy Educational Society Group of Institutions (Integrated Campus), from 1st to 6th December 2025.
